

## An Affordable Tent for All Occasions

This eye-catching tent with its swooped tension top and sculptured valance draws attention to every event. An elegant design that is extremely practical and easy to erect.

## Great Return on Investment

If you only own one tent, this is the one to own for the greatest return on investment. Sculptured bat wing design pulls out perfectly every time and is less labor intensive than other push pole tents. This unique design draws attention to every event! Your customers will be asking for it by name.

## Factory Training Available

Never owned a large push pole tent? Let TopTec's factory trained representatives give your crew on-the-site training.

## FEATURES

### Tops

The elegant sculptured tension design utilizes easy to clean high gloss vinyl. Epic tops feature heavy-duty corrosion-resistant hardware, side pole and center pole jump ropes and heavy duty reinforcements. The sculptured valance is an integral part of the tensioning system creating a look your customers will not forget.

### Poles

Both aluminum and wood pole packages are available. Optional break-down aluminum center poles and side poles are easy to transport and store.

### Storage

All tops come with a color coded heavy-duty canvas bag.

**Plus. . .** Greatest return on investment for the purchase price. TopTec's factory trained representatives are available to give your crew on-site training on any of TopTec's quality products.

**Accessories** Sidewalls: White, Clear, Striped, Mesh, and Window. Web guy tie down straps and stake bars.
